WELCOME MESSAGE WCSS2022

Dear Participants, welcome to the World Conference on Science and Soccer 2022. This event will put together colleagues from all over the world merging interests of science and field application. It will be days of fruitful learnings and professional growth and an open field for collaborative partnerships, all within a fellowship ambience. The University of Coimbra and its Faculty of Sport Science and Physical Education and the city of Coimbra, will very welcome you to share all the requisites that made us a reference site for knowledge, tradition, innovation and friendship. The WCSS2022 will cover a large area of topics and will count on the support and expertise of some of the most recognised researchers and coaches, as well as the interaction with the technical and scientific staff from the Portuguese FA and Portuguese Professional Soccer League. It is with great honour and pleasure that I invite you to come to our beautiful and historical city, place of a university that was recognized by Unesco as a World Heritage Site.
